Chairwoman of the Consul Democracy Foundation

Dear chairwoman,

On March 22nd, the Consul Democracy Foundation was constituted and six other organizations were appointed as members of its board of trustees.

Among the objectives of this foundation are the following:

a) To manage and contribute to the improvement, development and global expansion of the participation of the open software "Consul".

b) To reinforce the quality, neutrality and credibility of the participation of citizens from all over the world under the principles of democracy, independence, knowledge and free software, neutrality, transparency, rule of law and inclusion.

XXXXXX City Council fully shares these objectives and promotes the exchange of ideas, experiences and knowledge between cities and governments that use CONSUL.

Thus, since XXXXXX City Council wants to contribute to the strengthening and achievement of this common objective, we formally request to be appointed as members of the Consultative Committee of the “Consul Democracy” Foundation, based on the following commitments:

- Participate in discussions on new ways to develop participatory processes, in the exchange of experiences and knowledge of these.

- Prepare articles of interest to the CONSUL community.

- Propose features and improvements for the development of CONSUL software.

With the joining of the XXXXXX City council to the Consultative Committee of the “Consul Democracy” Foundation, it is intended to contribute to the project of extension of the model of citizen participation in accordance with the principles that are included in its statutes of constitution.

Awaiting your reply, please accept my cordial greetings and best wishes for the future development of the Foundation.
